# STIAN

The literally and figuratively glittering pendant lamp Stian from Lucide, with its smokey and opal white glass is really beautiful. The shade can best be described as being made of semi-transparent smoked glass. Due to this combination of reflection and transparency, the Stian has a very luxurious and warm appearance. The Lucide Stian pendant lamp is perfectly suited for use in both rural and modern interiors.

# OWINO

A mirror effect that lets you count. Don't be fooled by this flush ceiling light called Owino. Its glass cylinder houses not three, not two, but only one light bulb.

This mirror effects is one of the characteristics of this compact ceiling light. The smoked glass and the dark fitting inside the lampshade make for a captivating contrast. The high-end glass is elegantly attached to the aluminium fitting.

A subtle addition to a modern interior.

# BASKETT

"Like a caged bird", the expression fits Baskett very aptly. The light source is safely tucked away behind a metal armature. In any living room Mesh can spread its wings, or rather, its light. The black base fits perfectly with the modern armature. LED light is certainly an option with this pendant light, as well as a dimmer.
